Secondary Instrument	Serial Number	Brand

The terms of this instrument loan are set forth in School Board Policy (available for parent review in Band Office). The policy allows the Band to request the parent to provide summer service, at the completion of the school year in which the instrument was used, on any loaned instrument. This service is simply designed to clean the instrument and to bring it back to playing condition after a year of use. (Please Note: ANY extra repairs brought about by the carelessness on the student's part will be the responsibility of the parent.)

Alternatively, parents may choose to allow the Band Director to service the school instruments. By grouping our service needs together, costs can be contained. **Please note that percussionists also must either pay this fee or provide equipment/supplies in the same amount. See Band Director for information.** The fee for 2008 is \$100.00, unless other arrangements are made with the director-This money should be TAX-DEDUCTIBLE (consult your tax advisor). In any case, all fees MUST be paid no later than THE FIRST FRIDAY OF SEPTEMBER.
